**CANNABIS ACT, 2023  
(NO. – OF 2023)**

**CANNABIS (MEDICAL CANNABIS AND RECOGNISED  
JURISDICTIONS) ORDER, 2023**

The Minister, in exercise of the powers conferred by sections 37 and 46(2) of the Cannabis Act, 2023, and on the recommendation of the Medical Cannabis Committee, hereby makes the following order —

**1. Citation and commencement.**

- (1) This Order may be cited as the Cannabis (Medical Cannabis and Recognised Jurisdictions) Order, 2023.
- (2) This Order shall come into force on such date as may be appointed by the Minister published by notice in the *Gazette*.

**2. Qualifying medical conditions.**

The qualifying medical conditions for which a medical practitioner may prescribe medical cannabis are specified in the *First Schedule*.

**3. Maximum THC concentration.**

The cannabis specified in column one of the *Second Schedule* shall have the maximum THC concentration specified in column two of that *Schedule*.

**4. Recognised jurisdictions.**

For the purposes of section 46(2) of the Act, the jurisdictions listed in the *Third Schedule* are the recognised jurisdictions from which a medical card authorising the dispensing and use of cannabis may be accepted in a pharmacy or cannabis dispensary.
