- (d) words that are primarily merely a surname.

(2) Provided that, in the case of a trade mark containing any official control or guarantee sign, stamp or hallmark, this prohibition shall only apply in cases where the mark is intended to be used on goods or services of the same or a similar kind to those in respect of which such official control or guarantee sign, stamp or hallmark is already used.

14. Use of arms of foreign state.

A disclaimer shall accompany an application for registration of a mark containing representations of the arms of a foreign state or place and the Registrar may call for any additional justification as deemed necessary to support such use.

15. Use of arms or emblems.

Where a representation of the arms or emblems, of any city, borough, town, or place, society, body corporate, or institution appears on a mark, the applicant

shall furnish the Registrar with a disclaimer supporting the applicant's use of such arms or emblems and the Registrar may require any additional justification as deemed necessary.

replacing that Act, by reason of an application to register the trade mark made or deemed to have been made in a convention country as defined in section 2 of that Act, shall state the name of that convention country and the date of that application therein, and the applicant shall furnish a certificate by the Registrar or other registering authority of that country or shall otherwise verify the application made or deemed to have been made therein to the satisfaction of the Registrar.

20. Acknowledgement of application.

On or after the receipt of the application the Registrar shall furnish the applicant with an acknowledgement thereof.

21. Representation of the mark to be affixed.

Every application for registration of a trade mark shall contain a representation of the mark affixed in a Schedule A to **Form 2** of the First Schedule or be submitted to the Registrar in a mandated electronic format permitted or adopted by the Office.

22. Additional specimens.

There shall be sent with every application for registration of a trade mark three additional specimens of a mark's use or proposed use affixed to the application in Schedule A to **Form 2** of the First Schedule and noted with all such particulars as may from time to time be required by the Registrar. These additional representations of a mark must be considered suitable to the Registrar and be sent in an electronic format permitted by the Office.

23. Same mark in different classes.

Applications for the registration of the same mark in different classes shall be treated as separate and distinct applications, and in all cases in which a trade mark is registered under the same official number for goods or services in more than one class, the registration shall henceforth for the purpose of fees and otherwise be deemed to have been made on separate and distinct applications in respect of the goods and services included in each class.

24. Additional representations

The Registrar, if dissatisfied with any representation of a mark, may at any time require another satisfactory representation to be substituted before proceeding with the application.

25. Specimens.

- (1) Where a drawing or other representation or specimen cannot be given in manner aforesaid, a specimen or copy of the trade mark may be sent either of full size or on a reduced scale, and in such form as the Registrar may think most suitable, including in an electronic format permitted by the Office.
- (2) The Registrar may also, in exceptional cases, deposit in the Office a specimen or copy of any trade mark which cannot conveniently be shown by a representation, and may refer thereto in the Register in such manner as deemed fit.

26. Series of trade marks.

 - (b) in a language other than English, the Registrar may ask for an exact translation thereof, and if requested by the Registrar, such translation shall be endorsed and signed as aforesaid.

PART V - PROCEDURE ON RECEIPT OF APPLICATION

28. Search of registered marks.

Subject to the provisions for special applications under subsection 8(2) of the Act, upon receipt of an application for registration the Registrar shall cause a search to be made amongst the registered marks, pending applications and geographical indications for the purpose of ascertaining whether there are on record any marks for the same goods or services or description of goods or services identical with the mark applied for or so nearly resembling it as to be calculated to deceive.

29. Examination of official marks.

An application for an official mark will be exempted from the requirements of section 28 above for a search of the Register or pending applications, instead an application for an official mark will only be examined to determine that the applicant is a public authority in The Bahamas or elsewhere and has adopted and used the official mark.

30. Acceptance by the Registrar.

If after such search and a consideration of the application the Registrar determines there is reason to accept the mark to be registered, the Registrar may accept it absolutely or subject to conditions, amendments, or modifications which shall be communicated by the Registrar to the applicant.

31. Statement of objections.

If after such search and consideration of the application any objections appear, a statement of those objections shall be sent to the applicant in writing, and unless within one month the applicant applies for a hearing, the application shall be deemed to have been withdrawn.

32. Objections to amendments.

- (1) If the Registrar accepts an application subject to any conditions, amendments, or modifications, and the applicant objects to such conditions, amendments, or modifications, the applicant shall within one month from the date of the communication notifying such acceptance apply for a hearing, or the application shall be deemed to have been withdrawn.
- (2) If the applicant does not object to such conditions, amendments, or modifications, the applicant shall forthwith notify the Registrar in writing.

33. Decision of Registrar at hearing.

The decision of the Registrar at such hearing as aforesaid shall be communicated to the applicant in writing, and the date of the decision shall be deemed to be the date of the Registrar's decision for the purpose of appeal.

34. Disclaimer.

The Registrar may call on an applicant to add a disclaimer as the Registrar may think fit, in order that the public generally may understand what the applicant's rights, if the mark is registered, will be.

35. Application under section 8 of the Act.

An application to register a mark that would conflict with prior third party rights in force in The Bahamas under paragraph (2) of section 8 of the said Act shall be made on the **Form 2** of the First Schedule.

36. Notification of no similar mark.

If after a search for registered marks the Registrar determines there are no such marks, the applicant shall be notified accordingly, but if after such search any such marks appear, the Registrar shall notify to the applicant of the particulars of those marks and the Gazette (if any) in which they have been advertised.

37. Support of application.

- (1) Within one month from the receipt of such notification the applicant shall submit to the Registrar, in duplicate if in writing, a case stating at length the grounds relied upon in support of the application, and whether the applicant desires to be heard by the Court.
- (2) If the applicant fails to do so, the application shall be deemed to be withdrawn.

38. Order of the Court.

If the applicant desires to appeal the Registrar's decision rejecting the application or disputing any other aspect of the decision, the applicant shall within one month bring the matter before the court by motion, serving a copy on the Registrar, failing which the applicant shall be deemed to have withdrawn the application or accepted the decision.

39. Directions of the Court.

Where an applicant commences proceedings in the court pursuant to regulation 38, the Court shall order that the application be advertised and proceedings thereafter shall be had in respect of it in such manner as the Court shall direct.

40. Advertisement of application.

Every application when accepted shall be advertised by the Registrar in the Gazette during such times and in such manner as the Registrar may direct, pursuant to section 11 of the Act.

41. Advertisements under section 12 and 38 of the Act.

Advertisements under sections 12(10) and 38(4) of the said Act shall be made in the same manner as advertisements relating to an application for registration.

42. Non-completion.

- (1) Where registration of a trade mark is not completed within twelve months from the date of the application by reason of default on the part of the applicant, the Registrar shall give notice to the applicant in writing of such non-completion, and if the applicant has an Agent, shall send such notice to the Agent.
- (2) If after thirty days from the date when such notice was sent the registration is not completed, the application shall be deemed to be abandoned, but the Registrar may with such notice, where the applicant lives at a distance, give further time after such thirty days for the completion of such application.

43. Entry on the register

- (1) Upon the expiration of two months from the date of the advertisement in the Gazette of any application, the Registrar shall, subject to any opposition and the determination thereof, and upon payment of the prescribed fee enter the trade mark on the Register.
- (2) The entry of a trade mark on the Register shall give the date of the registration, the goods and services in respect of which it is registered, and all particulars named in section 4 of the Act, together with particulars of the address of the proprietor, and such other particulars as the Registrar may deem necessary.

44. Cross-references in the Register.

Where a mark is registered as associated with any other mark or marks the Registrar shall note upon the Register in connection with such mark the numbers of the marks with which it is associated and shall also note upon the Register in connection with each of the associated marks the number of the newly registered mark as being an associated mark with each of them.

45. Death of applicant.

In case of the death of any applicant for a trade mark after the date of application, and before the trade mark applied for has been entered on the Register, the Registrar, after the expiration of the prescribed period of advertisement, may, on being satisfied of the applicant's death, enter on the Register, in place of the name of such deceased applicant, the name, address, and description of the person owning the goodwill of the business, on such ownership being proved to the satisfaction of the Registrar.

46. Certificate of registration.

Upon the registration of a trade mark the Registrar shall issue to the applicant a certificate of registration on **Form 6** of the First Schedule.

PART VI - OPPOSITION PROCEEDINGS

47. Opposition to registration.

Any person may within two months from the date of any advertisement in the Gazette of an application for registration of a trade mark give notice in writing to the Registrar of opposition to the registration.

48. Grounds of opposition.

- (1) Such notice shall be in **Form 3** of the First Schedule, and shall contain a statement of the grounds upon which the opponent objects to the registration.
- (2) If registration is opposed on the ground that the mark resembles marks already on the Register, the numbers of such marks and the date of the *Gazette* in which the trade marks were advertised shall be set out.

49. Notice of Opposition.

- (1) Such notice of opposition shall be accompanied by a duplicate which the Registrar will forthwith send to the applicant.
- (2) If sent electronically, the Registrar will forward an electronic copy to the applicant.

50. Counter-Statement.

- (1) Within two months from the receipt of such notice of opposition the applicant shall send to the Registrar a counter-statement (**Form 4** of the First Schedule) in writing setting out the grounds relied on as supporting the application.
- (2) The applicant shall also set out what facts, if any, alleged in the notice of opposition are admitted.
- (3) Such counter statement shall be accompanied by a duplicate where delivered in writing, which the Registrar will forthwith send to the opponent.
- (4) If sent electronically, the Registrar will forward an electronic copy of the counter-statement to the opponent.

51. Evidence of opponent.

Within four months of receipt of such counter-statement by the opponent, the opponent shall file at the Office such evidence by way of Declaration as may be desired to adduce in support of the opposition and shall deliver to the applicant copies thereof.

52. Evidence of applicant.

- (1) If an opponent files no evidence, the opponent shall be deemed to have abandoned the opposition.
- (2) If the opponent files evidence then within four months from the receipt of the copies of Declarations, the applicant shall file at the Office such evidence by way of Declaration as may be desired to adduce in support of the application and shall deliver to the opponent copies thereof.

53. Reply evidence.

- (1) Within one month from the receipt by the opponent of the copies of the applicant's Declarations the opponent may leave at the Office evidence by way of Declaration in reply, and shall deliver to the applicant copies thereof.
- (2) Such evidence shall be confined to matters strictly in reply.

54. Further evidence.

In any proceedings before the Registrar, the Registrar may at any time, give leave to either the applicant or the opponent to file any evidence upon such terms as to costs or otherwise as deemed fit.

55. Exhibits to Declaration in opposition.

- (1) Where there are exhibits to Declarations filed in a proceeding before the Registrar, copies of such exhibits shall be sent to the other party on request, or, if such copies cannot conveniently be furnished, the originals shall be sent to the Office, so that they may be open to inspection.
- (2) The original exhibits shall be produced at the hearing unless the Registrar otherwise directs.

56. Notice of appearance.

- (1) Upon completion of the evidence as determined by the Registrar with a written notice that no further evidence may be filed in the proceedings, either party may within one month make a request on **Form 10** of the First Schedule that the Registrar issue notice to the parties of a date for an oral hearing of the arguments in the case.

- (2) Such hearing date shall be set for a date at least one month after the date of the request, unless the parties consent to a shorter notice.
- (3) A party who receives a hearing notice from the Registrar must, within ten days from the receipt thereof, give notice on **Form 5** of the First Schedule of an intention to appear, or will be treated as not desiring to be heard and the Registrar may act accordingly.

PART VII - RENEWAL

57. Renewal.

At any time not more than three months before the expiration of the last registration of a trade mark a registered proprietor or its Agent may pay the fee for the renewal of the registration of the mark upon **Form 7** of the First Schedule.

58. Acknowledgement.

The Registrar shall upon receipt of such fee communicate to the registered proprietor an acknowledgement that the fee has been received and that the registration will in due course be renewed.

59. Notice before removal from register.

At a date not less than one month before the expiration of the last registration of a mark, if no fee upon the **Form 7** of the First Schedule has been received, the Registrar shall send to the registered proprietor's registered address a notice that the prescribed fee must be paid within 6 months as set out under section 20 of the Act.

60. Renewal without removal.

If at the date of the expiration of the last registration of a mark the renewal fee has not been paid, the Registrar shall advertise the fact forthwith in the Gazette and if within one month of such advertisement the renewal fee and late payment fee upon **Form 7** of the First Schedule are received, the registration may be renewed without removing the mark from the Register.

61. Renewal after removal.

Where after one month from such advertisement such fees have not been paid, the Registrar may remove the mark from the Register as of the date of the expiration of the last registration, but may upon payment of the renewal and late fees upon **Form 7** of the First Schedule, restore the mark to the Register if

satisfied that it is just so to do, and upon such conditions as the Registrar thinks fit to impose.

62. Record of removal.

Where a trade mark has been removed from the Register the Registrar shall cause to be entered in the Register a record of such removal and of the cause thereof.

63. Advertisement of renewal.

Upon the renewal of a registration a notice to that effect shall be sent to the registered proprietor's registered address.

PART VIII - TIME CALCULATIONS

64. Extension of time within proceedings.

Where in proceedings any extension of time is granted to any party, the Registrar may thereafter, as the Registrar deems fit, without giving the said party a hearing, grant any reasonable extension of time to the other party in which to take any subsequent step.

65. Procedure on public holidays.

Whenever the last day fixed by the said Act, or by these Regulations, for leaving any document or paying any fee at the Office shall fall on Christmas Day, Good Friday, or on a Saturday or Sunday, or any day observed as a public holiday, or any day observed as a day of public fast or thanksgiving, or shall be a day on which the Office shall not be open to the public herein referred to as excluded days, it shall be lawful to leave such document or to pay such fee on the day next following such excluded day, or days if two or more of them occur consecutively.

66. Late fees may be permitted.

Where a time for paying a fee is limited by these Regulations and the person who is bound to pay such fee cannot reasonably pay the fee on the date limited by the Regulation due to unforeseen circumstances, the Registrar, if satisfied that the omission to pay the fee has not been from any want of diligence on the part of the person whose business it is to pay it, may accept the fee even though the date for paying the fee has passed, and treat it as if received on the correct date, provided always that the fee is actually paid with such promptitude as can be expected in the circumstances.

67. Extension of time for doing act or commencing proceedings.

The time prescribed by these Regulations for doing any act, or taking any proceeding thereunder may be extended by the Registrar, or as appropriate, by the Court, if deemed fit, and upon such notice to other parties, and proceedings thereon, and upon such terms, as the Registrar or the Court may direct, and such extension may be granted though the time has expired for doing such act or taking such proceeding.

PART IX - EVIDENCE

68. Declarations

The Declarations required by the said Act and these Regulations, or used in any proceedings thereunder, shall be made and subscribed as follows—

- (a) in The Bahamas, before any justice of the peace, magistrate, notary public, the Registrar or other officer by law authorised to administer an oath for the purpose of any legal proceeding; or

69. Seal or signature submitted without proof.

Any document purporting to have affixed, impressed, or subscribed thereto or thereon the seal or signature of any person authorised to take such Declaration in testimony, may be admitted by the Registrar without proof of the genuineness of any such seal or signature, or of the official character of such person or authority to take such Declaration. The Registrar may accept electronic signatures but is not obligated to do so.

70. Power to dispense with evidence.

Where under these Regulations any person is required to do any act or thing, or to sign any document, or to make any Declaration on their behalf or on behalf of any body corporate, or any document or evidence is required to be produced to or left with the Registrar, or at the Office, and it is shown to the satisfaction of the Registrar that from any reasonable cause such person is unable to do such act or thing, or to sign such document or make such Declaration, or that such document or evidence cannot be produced as aforesaid, it shall be lawful for the Registrar, and upon the production of such other evidence, and subject to such terms deemed fit, to dispense with any such act or thing, document, Declaration, or evidence.

Where a party requests a hearing, the Registrar may call upon the party to give a security in such form as the Registrar may deem sufficient for the costs of the proceedings before the Registrar, for such amount as to the Registrar may determine fit, and at any stage in such opposition may require further security to be given at any time before giving a decision in the case.

76. Decision of Registrar.

The decision of the Registrar in any proceeding shall be communicated to the applicant in writing, or by electronic means, and the date of the decision shall be deemed to be the date of the Registrar's decision for the purpose of appeal.

PART XI - SUPPLEMENTARY PROVISIONS
